

Blackwood 0702

Breeder's comments:

History of ewe 219 461 is she had triplets the first year as a maiden raised them all, 02 in 07, and this year she had twins weighing [ram 6.5kg and ewe 6.2kg's] back to a son of 335. 335 still is on the elite sires list and the number 1 ewe is by 335. 02 is a standout ram of this year's rams and is sire prospect as he stands and parades himself. Good wool, well defined crimp, bright and soft. Open face, black feet and stands well. Head and shoulder above his brother's in a very hard year for feed.
